### **A Remedial English Grammar for Foreign Students: F.T. Wood In-Depth Review**

Are you a foreign student struggling to master the intricacies of English grammar? Does the sheer volume of rules and exceptions leave you feeling overwhelmed? Then you've come to the right place. This comprehensive guide delves into A Remedial English Grammar for Foreign Students by F.T. Wood, a classic text renowned for its clarity and effectiveness. We'll explore its strengths, weaknesses, and ultimately, whether it's the right grammar resource for your needs.

This post will provide a detailed review of F.T. Wood's book, covering its key features, target audience, pedagogical approach, and overall effectiveness for foreign language learners. We'll also discuss potential alternatives and offer practical advice on how to best utilize this resource in your English language learning journey.

### **Understanding F.T. Wood's Approach**

F.T. Wood's A Remedial English Grammar for Foreign Students isn't your average grammar textbook. It's designed specifically for learners who have already encountered some English but need a systematic and

thorough review of the fundamentals. Wood's approach is characterized by:

**Clear and Concise Explanations:** The book avoids unnecessary jargon and presents complex grammatical concepts in a straightforward, accessible manner. Each rule is explained clearly, with plenty of examples to illustrate its application.

**Focus on Practical Application:** Theory is balanced with practice. The book includes a wealth of exercises that allow students to apply what they've learned. This hands-on approach is crucial for reinforcing understanding and building confidence.

**Systematic Progression:** The material is presented in a logical sequence, building from basic concepts to more advanced topics. This systematic approach allows students to gradually build their grammatical knowledge and skills.

**Emphasis on Error Correction:** Wood emphasizes identifying and correcting common errors made by foreign language learners. This proactive approach helps students avoid repeating mistakes.

## **Strengths of "A Remedial English Grammar for Foreign Students"**

Several factors contribute to the enduring popularity of F.T. Wood's book:

**Accessibility:** The language is simple and direct, avoiding complex linguistic terminology that might confuse beginners.

**Comprehensive Coverage:** The book covers a broad range of grammatical topics, from basic sentence structure to more advanced aspects like relative clauses and participial phrases.

**Abundant Practice Exercises:** The wealth of exercises provides ample opportunities for students to

practice their grammar skills.

Self-Study Friendly: The book's structure and clear explanations make it suitable for self-study, though it can also be used effectively in a classroom setting.

## **Potential Weaknesses and Considerations**

While highly regarded, A Remedial English Grammar for Foreign Students isn't without its limitations:

Outdated Language: The book's age might reflect in some of the examples and vocabulary used, which may not always align with contemporary English usage.

Lack of Multimedia Resources: Unlike many modern textbooks, it doesn't offer supplementary multimedia resources like audio or video materials.

Limited Focus on Usage: While it covers grammatical rules, it might not delve deeply into the nuances of idiomatic expression or stylistic choices.

## **Who Should Use F.T. Wood's Grammar Book?**

This book is particularly well-suited for:

Intermediate-level learners: Students who already possess some basic grammatical knowledge but

require a structured review and more in-depth understanding.

Self-directed learners: Individuals who prefer self-paced learning and require a clear, self-explanatory resource.

Students preparing for examinations: The systematic approach and extensive practice exercises can be beneficial for exam preparation.

## **Alternatives and Complementary Resources**

While F.T. Wood's book remains a valuable resource, other grammar books offer different approaches and might be more suitable depending on individual learning styles and needs. Consider exploring contemporary grammar textbooks that incorporate multimedia elements and focus on practical communication skills. Supplementing this book with online grammar exercises and language exchange partners can significantly enhance learning.

## **Conclusion**

A Remedial English Grammar for Foreign Students by F.T. Wood is a solid and dependable grammar textbook, particularly for intermediate learners seeking a structured and comprehensive review of English grammar. While its age might mean some aspects are less contemporary, its clarity, systematic approach, and wealth of practice exercises continue to make it a valuable learning tool. Consider your individual

learning style and needs when choosing a grammar textbook, but for a focused and effective review of the fundamentals, F.T. Wood's book remains a strong contender.

## FAQs

1. Is F.T. Wood's grammar book suitable for absolute beginners? No, it's best suited for students with some prior knowledge of English grammar. Absolute beginners might find it challenging.
2. Does the book include a key to the exercises? Most editions include an answer key, but it's best to check the specific edition you are considering.
3. Are there online resources that complement this book? While there aren't official online resources, many websites and apps offer grammar exercises that align with the topics covered in the book.
4. How does this book compare to other remedial grammar books? Compared to more modern books, F.T. Wood might lack multimedia features but excels in its clear and concise explanations and systematic approach.
5. Is this book suitable for preparing for the IELTS or TOEFL exams? While it won't directly prepare you for the specific test formats, mastering the grammar concepts covered in the book will significantly improve your performance on these exams.
